Beginnings Of The Cold War Arms Race The Truman Administration And The U S Arms Build Up **FREE** *beginnings of the cold war arms race the truman administration and the u s arms build up* The Truman administration's decision to embark on an arms build-up in 1950 was a critical event. For the first time other than a World War, the United States became a global military presence. Unlike the World Wars, in this instance the deployment lasted decades, altering the nature of the Cold War and the United States' global role.
