Behind The Headlines A History Of Investigative Journalism In Canada *FREE* *behind the headlines a history of investigative journalism in canada* Part of the problem is that the historiography of the Canadian news media is still in early development, perhaps because journalism has not been taken seriously enough as an arbiter of political and social trends. In 1967, W.H. Kesterton wrote what is generally considered to be the first survey of the field, *The History of Journalism in Canada*. Since then, media historians have contributed several academic and popular studies on the development of the press as a business and a cultural ...
